

PARISH PLANNED GIVING PROGRAMME 2020

Your continued financial support of the parish and the priests is crucial to us being able to continue to meet our financial obligations and is very much appreciated

There are a number of options available to parishioners to continue contributing to the Planned Giving programme during this time of the church's closure due to COVID-19. At any stage if you have any queries related to the programme, please do not hesitate to contact Marina in the Parish Office on 9417 4763 or via email to materchristi@westnet.com.au .

Option 1 - Envelopes

While the Parish Office is still able to be open, Tuesday, Thursday and Friday parishioners are welcome to drop off envelopes for the Planned Giving programme as well as any Mass Intentions or Project Compassion contributions.

Option 2 – Electronic Funds Transfer (EFT)

As an ad hoc arrangement, you are welcome to contribute via internet bank transfer. This method requires you to stipulate which portion of your contribution is for the Second Collection (the parish) and if a portion is also for the First Collection (the priests). This requirement is necessary via email to the parish email address otherwise the contribution will be allocated only to the Second Collection.

Option 3 – (Establish) Direct Debit

This option is a formal arrangement of your commitment to financially support the parish. Please complete the form available from the home page, via email from the Parish Office or in hard copy from the front door of the church, and return to the parish email address with all blank sections completed (final payment date may be left open) this will then be forwarded to the CDF to establish an ongoing commitment on your behalf. You will be allocated a number in our Planned Giving system should you wish to plan a contribution for the First Collection in support of our priests.

If you are an existing contributor to the Planned Giving programme through the envelope system, please ensure you enter this number onto the form to ensure no duplication.
